## Statement on Compliance with REACH Regulation (EC) No 1907/2006

As downstream users, Tinby is not responsible for the registration of substances. The products which you receive from us are produced from raw materials which have to be registered by the raw material suppliers / manufacturers. We are only able to relay the information which we have received from the raw material suppliers / manufacturers to our customers. We have received confirmation from our suppliers that the raw materials are in compliance with REACH Regulation (EC) No 1907/2006.

We will of course fulfil our obligations under REACH and inform you as soon as there is a change in the situation, either as a result of the continuous revision of the SVHC-material listing or as a result of the information we receive from our suppliers.

The data indicated above correspond to status of our current knowledge and the data refer to the state of the laws at the date of issue.

With best regards,

  
Torben Nielsen  
Managing Director
